An Overview of Our Company

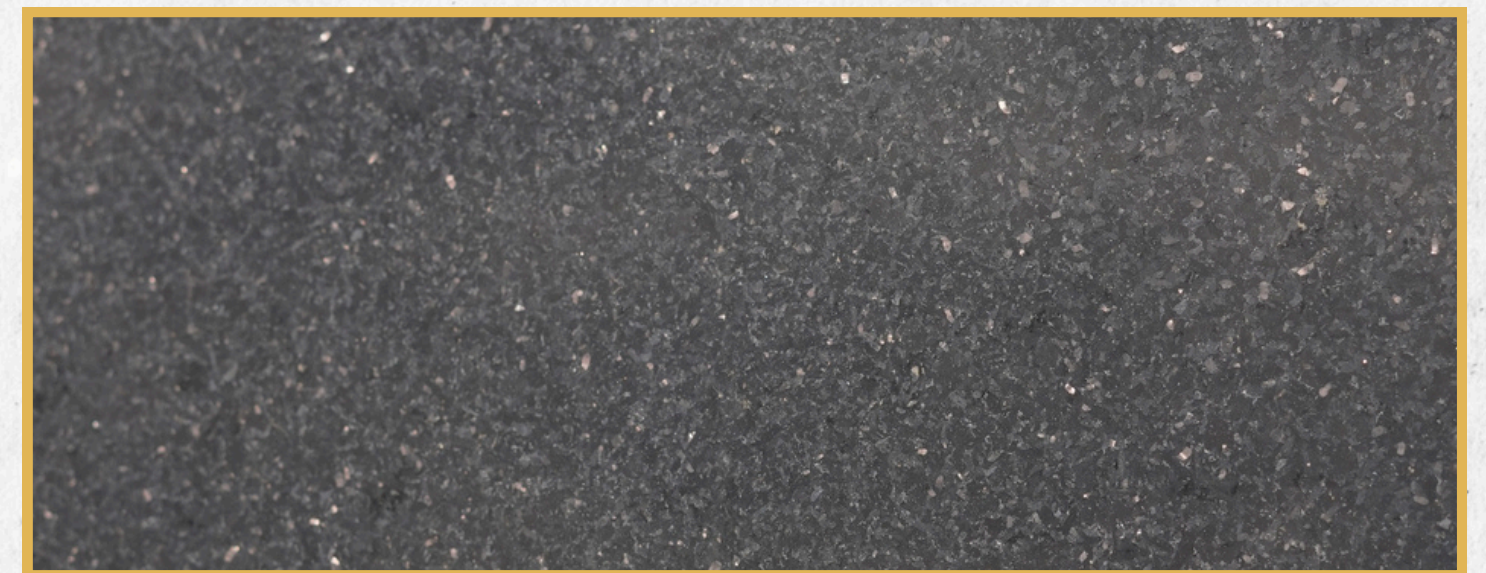

Al-Husoon Al-Dakhliya for Marble and Granite is a company specialized in the sale, cutting, and polishing of marble, granite, porcelain, engineered marble, and quartz. The company offers wholesale services, targeting production factories, residential and commercial buildings, and major government projects, providing the finest quality marble and granite at competitive prices.

The Vision

We strive to be the first and leading choice in Oman and the region in the field of marble, granite, and quartz by committing to quality, innovation, and providing exceptional services that meet the needs of residential, commercial, and major projects markets.

The Mission

Our mission is to provide high-quality marble, granite, porcelain, and quartz products, ensuring on-time project delivery and offering innovative design solutions that meet our clients' needs, achieving their full satisfaction through our professional Omani management and advanced technologies.

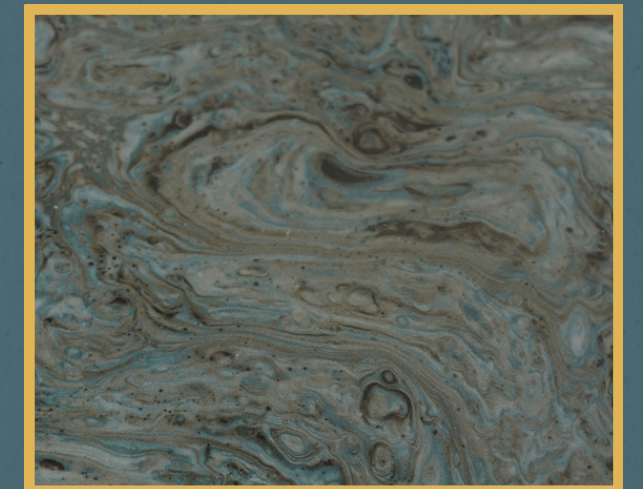

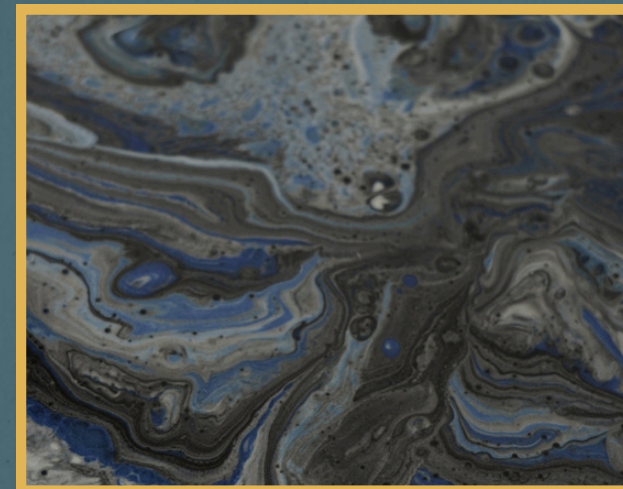

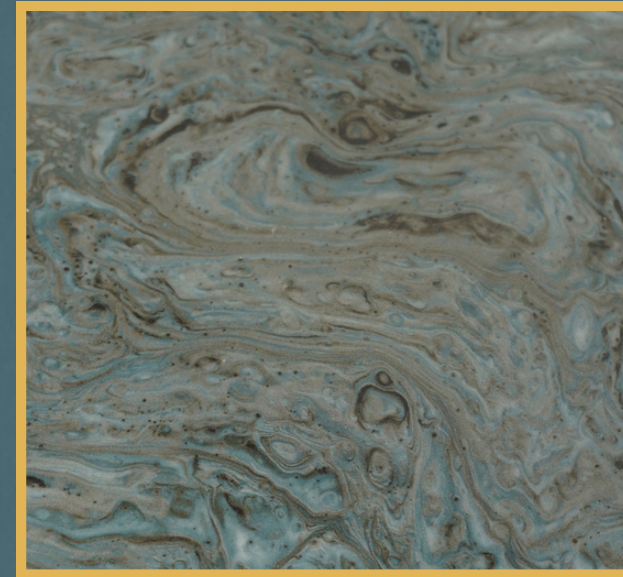

The Values

- 01** Transparency Dealing with customers with honesty and transparency at all stages of the work.
- 02** Quality Providing high-quality products that meet global industry standards.
- 03** Innovation Developing new and innovative design solutions that enhance the customer experience.
- 04** Professionalism Commitment to delivering projects on time, thanks to our trained and skilled team.

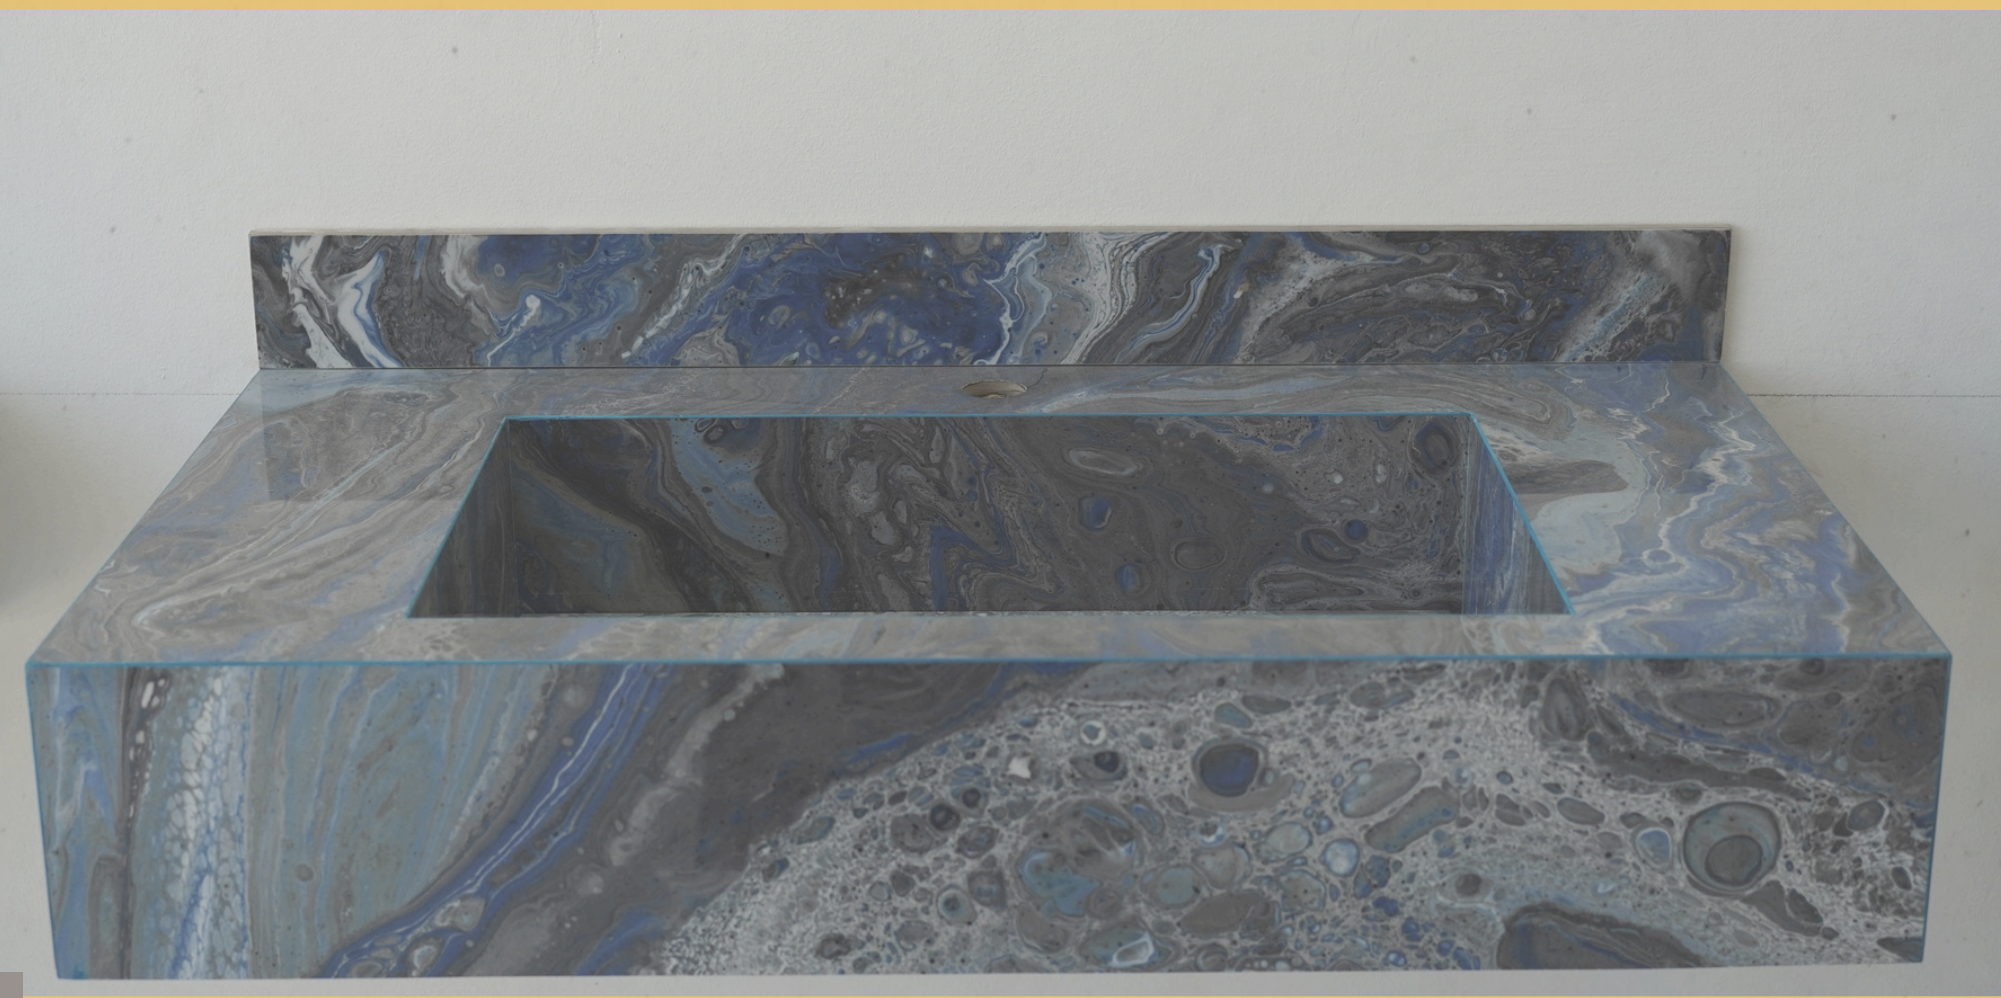

The Technologies Used

We use the latest technologies and advanced machinery for cutting and polishing marble and granite, ensuring manufacturing precision and quality of work, which enables us to meet customer demands accurately and swiftly.

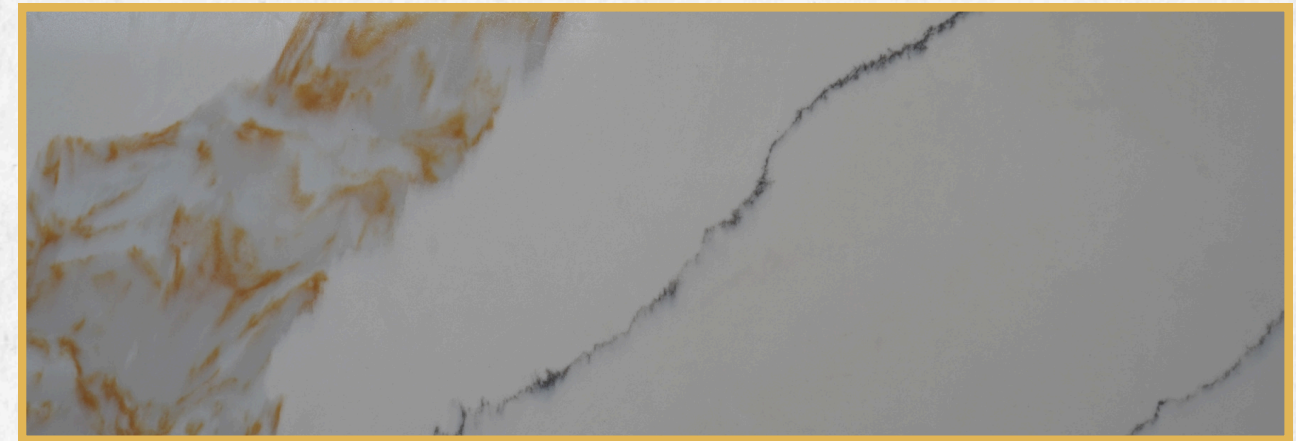

The Services Provided

- ☑ Cutting and polishing services for marble with the highest quality standards.
- ☑ Design and installation of flooring, stairs, countertops, and kitchens.
- ☑ Supply and installation of marble, granite, porcelain, engineered marble, and quartz.
- ☑ Execution of marble and granite projects for residential and commercial buildings, hotels, and major government projects.

Target Customers

- Real estate developers and contractors.
- Owners of government and private projects.
- Factories and suppliers.
- Owners of residential and commercial buildings.

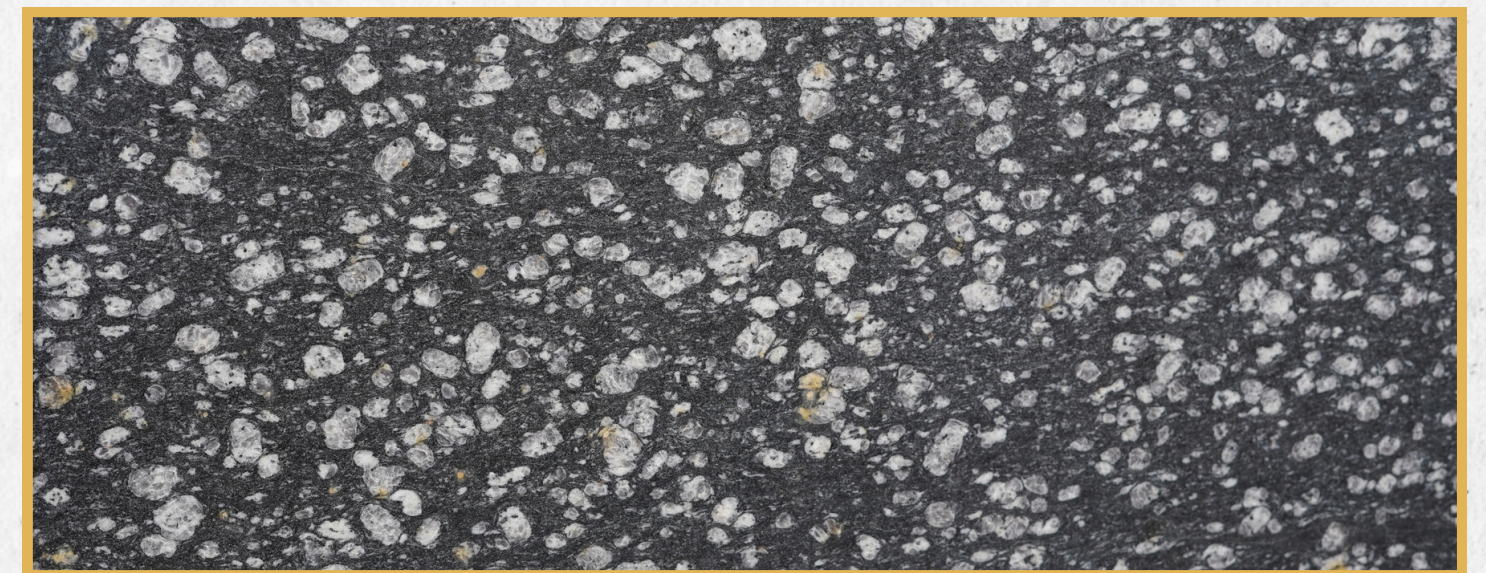

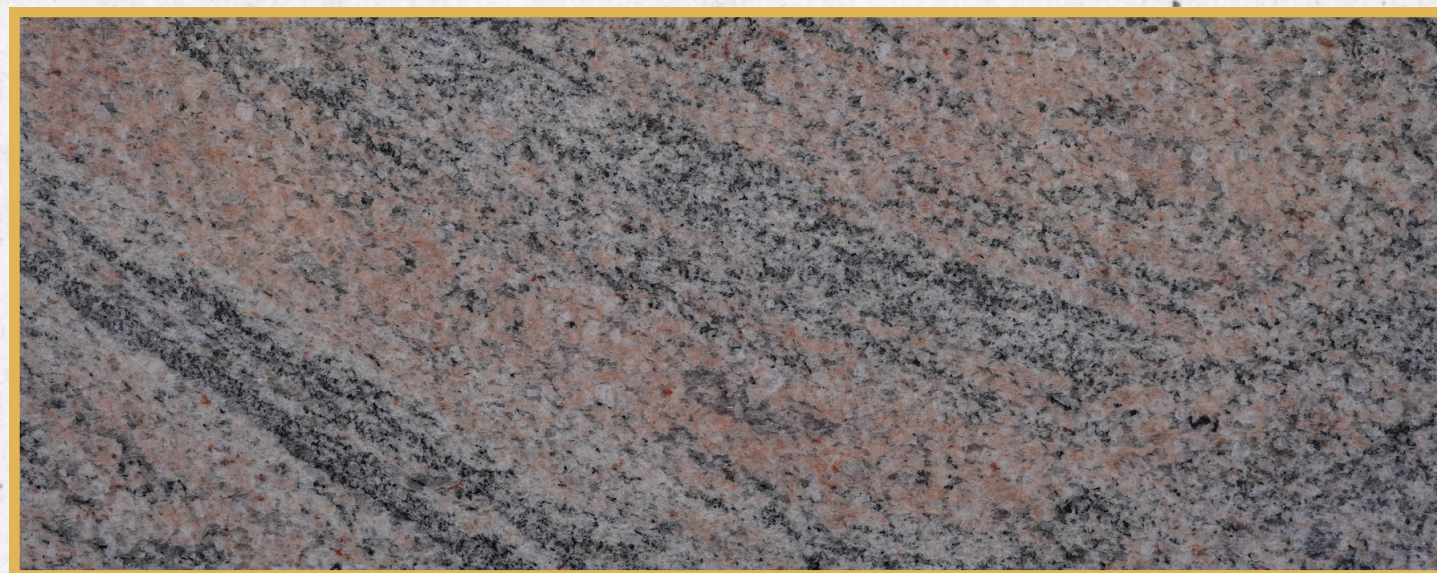

Why Choose Us?

- **Competitive Prices:** We offer our products at competitive prices thanks to wholesale sales and our direct factory management.
- **High Quality:** We are committed to providing products of exceptional quality that meet the highest standards.
- **On-Time Delivery:** We guarantee the completion and delivery of projects on time.
- **Omani Management:** Our professional Omani team ensures the best services for our customers.

Social Responsibility

- Committed to supporting the Omani community by contributing to the development of local projects and collaborating with Omani suppliers and manufacturers, in addition to creating job opportunities and developing the skills of local youth.

Future Expansion and Growth

We aim to expand into local and regional markets in Oman and neighboring countries, focusing on providing innovative products and high-quality services that meet the needs of new customers.
